**\*\*PARENTS, PLEASE TAKE THE TIME TO REVIEW THIS WITH YOUR CHILD\*\***

Welcome to the North Surrey Skating Club Spring Session. Please ensure that you and your child are familiar with the Club Rules, Dress Code and Buy-on requirements. In addition, please make careful note of the Dates to Remember, as this includes information on Upcoming Events and Cancellations for the Spring Session.

## GENERAL RULES:

1. The soloist has the complete right of way, followed by lesson skaters. Other skaters **MUST** give way.
2. All skating must be of the type scheduled i.e. Dancing on Dance session.
3. **NO MP3 PLAYERS OR CELL PHONES are allowed on the ice. These pose a risk to other skaters.**
4. Solo music is played in order. If you refuse your music, your name goes to the bottom of the list.
5. Only solo's requested by a coach will be played out of order. Skaters are not to request their music; it will be played in order.
6. **In club and out of club buy-ons** will be played once all other skaters' solos have been played.
7. Do not put others at risk by standing around or playing on the ice. Be aware of fast moving sessions.
8. No hockey skates allowed except on CANSKATE ice.
9. **Spectators are NOT ALLOWED to coach, teach or lecture at the rink boards or they will be asked to leave the arena. Interrupting a moving session is a hazard. Spectators should remain in the stands.**
10. Once the session has begun the gate will be closed, skaters are expected to remain on the ice for the full session.
11. **Absence from a regular session that has been purchased does not allow you to "make up" the session at another time unless it has been approved by the board.**
12. Skaters must have turned in their registration papers before going on the ice.
13. CANSKATERS must wear an ice approved hockey helmet (no bike helmets allowed).

## DRESS CODE:

Hair **MUST** be tied back. Girls must wear skating dresses, skating skirts, or straight-legged skating pants. Boys must wear skating pants or straight-legged track pants with hooks. **NO JEANS, SHORTS OR BARE MIDRIFTS ALLOWED.**

## BUY-ONS:

1. **ALL buy-ons MUST report to the music player and pay for the session before going on the ice. THERE ARE NO EXCEPTIONS. The entire time allocated for the session must be purchased.**  
Example: If you only wish to skate a portion of a 1 hour session, you must still pay for the entire hour.
2. Prices for buy-ons are included on the front cover. Buy-on skaters will have their music played once all other skaters' music has been played.
3. Only sessions that say OPEN are available for in club and out of club buy-ons, unless the skater is also registered in one of the programs.  
Example: An in club skater in the Silver Program buying Silver Freeskate ice.
